- Voting Members: Kenton Ball Dee Dee Harbut Wayne Masterman Bill O'Mara Trish Vertuca

- Guests: Chris Goodson, Lanier Justin Hubbard, DDAF Justin Jun, Lanier Charles Stephenson, Lanier Steven Taff, Lanier

#### Item 1 – Call to Order:

Chairman James Frazier noted the attendance of the members; hence quorum was reached, and he called the meeting to order.

#### Item 2 – Approval of the July 2018 Minutes

Ms. Harbut makes a motion to approve the July 12, 2018 minutes as presented. Ms. Vertuca seconds. The vote was unanimous, and the motion passed.

#### Item 3 – Update on ED Activities

#### A. Executive Director Report

Mr. Means presents the July 2018 Executive Director Report. Mr. Means and Mr. Trammell visited Lanier operations in Atlanta and were able to observe their call center and several parking facilities.

#### B. Operational Reports

Mr. Means presents the July 2018 operations reports. Mr. Smith notes that most KPI measures are holding steady. The number of citations written decreased due to staffing issues during the transition period.

However, the collection rate of written citations has increased, and meter revenue is nearly equal to the prior month. Mr. Means reports that DW Wilburn can now park in the Centrepointe Garage so they will be moving parkers out of Helix and Transit Center. Additionally, Sayre has moved some parkers out of the Courthouse Garage. Ms. Vertuca suggests a budget amendment to account for the DW Wilburn loss. Mr. Means presents the aged balance reports. Ms. Harbut questions if LPA should deactivate cards more quickly than the current process dictates.

# Item 4 – April 2018 Financial Reports

Mr. Means presents the June 2018 financials. He notes that all Broadway Shoppes tenants are current on rent and that two tenants are up for renewal during the fiscal year. Ms. Vertuca asks LPA staff to begin discussing renewal options with Schrader Commercial. Ms. Vertuca asks that the insurance payment for a damaged LUKE be recorded as a receivable as of 6/30. Meter collections were strong for the year, and fines finished under budget. Garage monthly parking nearly met budget for the year, and transient revenues finished ahead of budget. Events were under budget. Total revenues exceeded budget by \$36K for the year. Ms. Harbut asks about an upcharge for reserved spaces in the garages. Mr. Means responds that the reserved space model would not work in some garages with higher transient traffic but it is something to consider in the garages with mostly monthly parkers. All together, LPA finished the year \$1.2M ahead of budget.

# Item 5 – LPA FY19 Budget Update

Mr. Means presents a draft of the FY19 budget. Ms. Vertuca expresses concern over the budget for fines since the prior year finished under budget in this category. Mr. Means will adjust the fines budget to reflect the actuals from FY18 and will adjust the monthly parker budget to reflect the loss of DW Wilburn. Mr. O'Mara makes a motion to approve the budget as amended. Mr. Ball seconds. The vote was unanimous, and the motion carried.

# Item 6 – On-Street

# A. Requests for Permanent Meter Removal

Mr. Means reports that a letter was sent to LFUCG regarding the loss of spaces on Bolivar. Mason Miller is working on an agreement for CORE spaces.

# B. EV Charging Station on South Limestone

Mr. Means met with UK regarding the charging station and UK is on board with the idea of locating the charging station on Press Avenue.

# C. Barnacle Immobilization Device

Mr. Means gives a short presentation on the Barnacle immobilization device. If adopted, Barnacle would take \$30 per immobilization as payment for using the device. The Commissioners ask that LPA further research the issue of legal liability, determine if the \$30 rate is negotiable, and that LPA update the survey of boot fees to see if there is room for increase, perhaps to \$100.

#### D. Meter Bag Request

Mr. Ball makes a motion to accept the staff recommendation and approve the request for meter bagging. Ms. Vertuca seconds. The vote was unanimous, and the motion carried.

#### Item 7 – Off-Street

#### A. Broadway Shoppes

There were no maintenance issues in the Broadway Shoppes during the month. The Gretchen Reece space is still vacant. DLP would like to use the window space in that unit for display purposes. By consensus, the Commissioners approve.

٠

# B. Garage Updates

Mr. Trammell reports that LPA received one rebate from KU for updated lighting and is awaiting the final rebate. The bid opening for structural and water proofing repairs went well. The AOC continues to be nonresponsive to correspondence about the Courthouse Garage.

Mr. Means reports that Block by Block is hiring "second chance" employees as safety ambassadors in certain areas downtown. These safety ambassadors can help patrol the Pay-on-Foot areas of the Victorian Square Garage without any cost to LPA. By consensus, the Commissioners agree.

Mr. Ball makes a motion to go into closed session per KRS 61.810. Ms. Vertuca seconds. The vote was unanimous, and the motion carried.

Ms. Harbut makes a motion to exit closed session. Mr. Ball seconds. The vote was unanimous, and the motion carried.

There being no further business brought before the Board, the meeting adjourned at noon.

# **Customer Testimonials**

- "I loved the convenience of prepaying for a parking space and not having to worry about driving around looking for a spot to park."
- "Loved not having to look for parking and it's covered!"
- "The main reason I liked it was that I could be guaranteed a parking space during a time when parking spaces would be scarce."
- "It was a smooth experience. Often times when I went there previously, I would need to search for the right kiosk, etc. before I could leave. With the app, I was able to get in and out of the parking structure easily! Thank you!"
- "Great knowing that there was available parking for event"
- "Very Easy! Thank you. I had peace of mind that there would be a parking space there for me when I arrived to my nephew's graduation."
- "We like having a spot assuring us of a parking space. The attendants have been very helpful. There is easy access to a covered walkway to Rupp Arena. We prefer the token system of exiting which makes it easier to operate the gate if an attendant is not available. Having an attendant available for exiting in case there are problems we feel is the best."
- "It's just great having a reservation should we be running late to get to the event. Peace of mind means everything to us. Thanks again!"
- "Reserving parking ahead of the event is a lifesaver. Wouldn't do it any other way!"

Variance Notes

A Meter revenue is only \$323 less than August of 2017 and is (according to historical numbers) following the normal trend for revenue in that area.

C Lower salary was due to lower on-street staff numbers which were corrected through hiring before months end bringing us to the required amount of enforcement.

D Invoices for T2 services were delayed due to miscommunication of old email address list not being updated to Lanier

E Professional Services for On-Street were not needed as much for August as previous months

F General supplies saw little expense during the second month of the operation simply due to lack of need. General supplies in the following month will reach normal trending levels.

#### Variance Notes

A Monthly revenue for August '18 saw an increase of over \$20k from August '17. This increase can be attributed to increased demand for monthly parking from KU and Gray as well as others.

B Loss of personell contributed to lower than budgeted salary/wage expense. Hiring new applicants brought the number of garage staff to capacity.

C Uniform purchases from the start of the transition were paid for in august. This amount is for both On-Street and Off-Street.

D Repairs in the garages were on trend according to historical numbers from August '17.

E Professional services, while under budget, is actually about \$4k over the previous years expense for August '17.

F General supplies weren't needed up to the budgeted amount and what was purchased is similar to what can be seen in August '17 numbers

No elevator maintenance was required during August. Elevators down in the Transit Center could not be addressed until standing water in the shafts were taken care of first.
