Location: ZOOM Webinar

Voting Members: Dee Dee Harbut

Erin Hensley Wes Holbrook Ashley Simpson Trish Vertuca

Executive Director: Gary Means

LFCPA Staff: Kara Pearson, Linden Smith, and Edward Trammell

Lexington & Fayette County Parking Authority

LFCPA Advisory

Board: Christine Brown

Thomas Pettit Terry Sweeney

Guests: Chris Goodson, Reef

Justin Hubbard, DDAF Nicole Lawson, Reef Charles Stephenson, Reef

Steven Taff, Reef

Item 1 - Call to Order:

Vice-Chair Kenton Ball noted the attendance of the members; hence quorum was reached, and he called the meeting to order.

Item 2 - Approval of August 2020 Minutes

Ms. Vertuca makes a motion to approve the minutes as presented. Ms. Harbut seconds. The vote was unanimous, and the motion carried.

Item 3 – Update on ED Activities

A. Executive Director Report

Mr. Means presents the September 2020 Executive Director report. Ciara Leroy's mural is complete on the Victorian Square Garage. Flash Parking was chosen as the new PARCS vendor by the selection committee.

B. Operational Reports

Mr. Means presents the September 2020 operations reports. He notes a correction to the number of telephone calls to the LEX**PARK** office. The value of citations and number of citations issued continues to increase, albeit at a slow pace. The percentage of citations paid has decreased, Mr. Means

attributes this to COVID related hardship. Permit revenue is strong and bagged meter revenue has been consistent. While some monthly garage parkers have decreased their numbers, others have increased which combines for a net decrease of only 5%. Mr. Means notes that LPA is switching back to the prior credit card processor for LUKE meters as their pricing is lower.

C. COVID-19 Update

Mr. Means presents the report from Zipie that outlines LPA marketing efforts during COVID. There are two unfilled positions at LEX**PARK** that have not been refilled.

Item 4 – Food for Fines

Mr. Means presents a proposal to continue the Food for Fines program, now in its seventh year. Ms. Hensley makes a motion to continue the program in 2020. Ms. Vertuca seconds. The vote was unanimous, and the motion carried.

Item 5 – Financial Reports

Mr. Means presents the July financial reports. Mr. Goodson goes over the Lanier financial reports paying special attention to any large variances. Total revenues are meeting budget. Utilities are on par with budget. Bank and credit card fees are under budget due to the smaller number of transactions. Mr. Means points out the unrestricted cash balance on page 20 and notes that number will decrease as LPA transfers money from investments to fund capital spending.

Item 6 – Audit Update

Strothman has completed testing and is doing final work on the audit. They are scheduled to present at the November Board Meeting.

Item 7 – On-Street

A. Curbside Pick Up Spaces/Outdoor Expansion Areas

Mr. Means notes that tents may become an option for some restaurants during the winter months.

Item 8 – Off-Street

A. Garage Updates

Mr. Trammell presents the garage updates. Victorian Square façade work is mostly complete, save for placement of the sign. In short, the sign can be installed at the preferred location on Short Street for \$45,000 or moved to Broadway for \$4,500. By consensus, the Commissioners agree to move the sign to Broadway. As for CAMP work, Volunteer Restoration is now putting down a water-proof membrane in Victorian Square.

B. PARCS Update

As noted earlier, Flash Parking was chosen as the new PARCS vendor. They are moving quickly and installation should be completed by the end of the year.

Item 9 – Downtown Lexington Partnership Updates

Mr. Sweeney reports that the State of Downtown and the annual meeting were held on Facebook Live, and both the reports and videos are available on the DLP website. They are also running a Downtown

Speaker series that occurs on Tuesdays. DLP continues to work with Breeders Cup for local programming to help celebrate the event. The ice rink will be back for the holidays.

Item 11 - Comments

Ms. Vertuca asks about the plantings on the live wall at Victorian Square and if they will survive the winter. Mr. Trammell responds that the plants are perennials and LEX**PARK** staff was given instruction on how to keep them alive through winter.

There being no further business brought before the Board, the meeting adjourned at 11:30.

Variance Notes

- **A.** Variance of \$7973 due to our Budget Projections being somewhat aggressive during the current COVID-19 pandemic times. Fortunately, the other four revenue categories exceeded budget projections providing for a Total Revenue YTD positive variance of \$10,471
- **B.** Positive Variance of \$14K due to a 3-month correction. Our Accountant mistakenly allocated 3 our garage employees within the on-street payroll when setting up the new fiscal budget. Please note the negative labor variance on the garage side.
- **C.** EMS/IPS/PBP/CCS aka Software Applications had a negative variance of \$9447 due to paying a large \$23,255 LUKE software warranty. We will have a favorable YTD budget until we receive the large subscription invoice at year end.
- **D.** The positive Repairs and Maintenance Variance is due to not requiring any major equipment repairs this month.

Variance Notes

A The Monthly Positive Variance of \$5433 is primarily due to ten additional parkers at the Victorian Square location.

- **B** Transient Variance due to our Budget Projections being somewhat aggressive during the current COVID-19 pandemic times. We anticipated more office visitors and better evening traffic to the restaurants and bars. This negative variance % has been consistent each month during this 1st quarter.
- **C** The negative \$10,569 salary/wage variance is primarily due to correcting the mis-allocation of the 3 garage employees. During 2020-21 budget preparations, 3 garage employees were mistakenly allocated to onstreet payroll. This is a 3-month correction.
- **D** The positive variance of \$4797 for EMS/IPS/PBP/CCS is due to not receiving the new Scheidt-Bachmann monthly service contract invoice. We just finished negotiating a 1/2 year Service Agreement. The YTD repairs and mtce overage was due to the \$10k Helix elevator lobby flooring installs
- **E** The \$9103 YTD positive variance is due to Johnson Controls not performing the sprinkler and fire system inspections until later in the quarter. We should see the expenses hit in October.
- **F** Positive Variance of \$17K is primarily due to our regular maintenance invoice not hitting this month.

- As part of the FY21 CAMP repair project, Volunteer Restoration began work on the installation of a new waterproof traffic bearing membrane on the roof level. Substantial partial depth concrete repairs are being completed before the traffic membrane is applied.

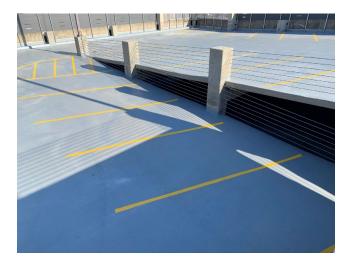

Victorian Square Garage:

- Jarboe Construction completed the façade enhancement project.
- LPA submitted photos of plants in need of replacement to Robby Jordan from James Greenroofs. Several plants died following the installation of the LiveWall system and Mr. Jordan has agreed to replace.
- Image360 completed installation of the PARK sign. The sign was installed on the Broadway façade and will be integrated with the programmable LED lighting system that is part of the façade enhancement project.

- Vincent Lighting Systems began system commissioning on Tuesday, November 3, with the goal of having the lighting system operating for the weekend of Breeder's Cup.
- As part of the FY21 CAMP repair project, Volunteer Restoration completed the application of a new waterproof traffic coating on the roof level. Traffic bearing coatings provide protection from road salts and other solvents related to vehicular traffic and are an important step in the protection of the concrete parking deck.

General Garage Notes:

- LPA consulted with Flash Parking regarding the installation of the new PARCS equipment. The equipment arrived on October 30th, with installation scheduled to begin at Victorian Square Garage on November 30th. Flash Parking anticipates completion of the three facilities by late December.
- LPA consulted with Flash Parking to create custom wraps for the equipment featuring unique branding for each facility.

• LPA continues to work with the LEXPARK staff and REEF Parking to explore cost savings initiatives and create maintenance projects in the garages during this economic slowdown.
